

Call2Recycle is a product stewardship program providing no-cost battery and cell phone recycling across the U.S. & Canada. This program is funded by battery and product manufacturers committed to responsible recycling. For more information on Call2Recycle visit their website at [www.call2recycle.ca](http://www.call2recycle.ca).

Call2Recycle is reimbursing Ontario municipalities at a rate of \$0.84/kg for rechargeable batteries and cell phones.
