

MUNICIPALITY OF  
**West Elgin**

## RFT 2024 Line Painting

### Addendum 1

1. What is the start/completion date?

Completion date is listed in the RFT as August 31, 2024. Due to the rural nature of this project (farm equipment, school buses) West Elgin and Dutton-Dunwich ask for a start date no earlier than July 2, 2024.

2. What is the number of mobilizations you anticipate for this project?

West Elgin and Dutton Dunwich feel this project can be accomplished in one mobilization; however, pricing shall remain in effect for the entire year to cover any additional work required such as capital projects. Advance notice will be provided for additional work and scheduled to minimize subsequent mobilizations.

3. Can RFT packages be emailed, or does it have to be physically dropped off at the municipal office?

RFT packages can be submitted electronically to the West Elgin Clerk at [clerk@westelgin.net](mailto:clerk@westelgin.net)
