### Plastic Bottle Planters

#### **Materials needed:**

Plastic Bottles  
Googly Eyes  
Plants  
Soil  
Acrylic Paint  
Utility Knife  
Glue

#### **Instructions:**

- 1) Have an adult cut the bottle in half or 1/3 of the way from the bottom.
- 2) Paint the bottom portion of the cut bottle with acrylic paint.
- 3) Fill with a plant and soil.
- 4) Add googly eyes to front of bottle.
