Description: Farmhouse Designs & Co. is a local business that specializes in making custom signs, outdoor and indoor door mats, screen printed t-shirts and more! Mikayla and Karlye both grew up in, and still continue to live in Dutton Dunwich where they have started families of their own. They have been good friends for 10+ years, and one day they both got into creating their own custom signs; Karlye started with making some for around her home and custom t-shirts for her family's business, and Mikayla started making custom signs for her wedding in August of 2019. After a busy summer of creating their own custom work, they realized how much their love for creating signs grew and in September of 2019 created Farmhouse Designs & Co. Within the first year, they have created some beautiful signs, t-shirts, door mats and even a custom dog bed! Please feel free to check out their Facebook and Instagram pages where you will be able see pictures of their creations! If you have any questions please do not hesitate to send them a message! Mikayla and Karlye welcome you to the beautiful town of Dutton Dunwich and look forward to working with you and your family for any custom work you may need!
