APPLICATION PROCESS

Pre-application consultation with the Municipal Planner is mandatory per By-law 2020-31. The Planner will assist you in determining what information and materials will be required in order to deem the application complete.

The application form and all required information, documents, and drawings are strictly confidential.

The Planner will review the application form and attached documents for any errors, omissions, or clarification. The Pre-Application form is circulated to relevant municipal departments and external agencies to determine what supporting studies, documents, and information are required if any. Please allow 2 to 4 weeks for a response.

The Pre-Application process does not imply or suggest any position or decision whatsoever on behalf of The Municipality of Dutton Dunwich. Municipal departments and external agencies may provide comments for processes. These comments are for information purposes only and do not represent the official position of the municipal department or external agency.

A Pre-Application Letter outlining the required studies, documents, and information is sent by email and/or regular mail to the authorized agent, or in the absence of an authorized agent, and is valid for one year.

It may be determined during the review of a development application that additional supporting studies, documents and information is required as a result of issues arising during the processing of that application. The applicant will be required to provide all supporting studies, documents and information identified through the Pre-Application Consultation and through the review of any development application.
